Newly elected	Outside Independent	[Reason for nomination as a candidate for Outside Director and overview of the expected role] Although Ms. Shiho Ito has no direct experience participating in corporate management, she has long been involved in audits under Companies Act and Financial Instruments and Exchange Act and internal control evaluations as a certified public accountant at a major audit firm in Japan, and has served as a member of several industry-specific committees of the Japanese Institute of Certified Public Accountants, based on her broad experience and knowledge. The Company expects that she will supervise management at meetings of the Board of Directors and the Audit Committee from an unprejudiced standpoint independent from the management that executes business, and provide advice and suggestions regarding the Company's overall management from an objective and broad perspective and from her professional perspective as a certified public accountant, and that she will do her utmost for sustainable growth and enhancement of corporate value of the Group, formulation of a growth strategy from a global business perspective, and strengthening of functions for management supervision, including risk management. Therefore, the Company proposes that she be newly elected as its Outside Director.
